

## VENICE AND VENETIAN LAGOON

DEPARTURE: 10 June 2023  
TRAVEL TIME: 1 day  
MIN No. OF PEOPLE: 20

### Travel programme:

Bus departure in front of the University in Trieste at 8 a.m. Ride to the suburbs of Venice from where we will take a boat ride to the heart of Serenissima - Mark Square. We will see some cultural-historical landmarks of this once mighty queen of the Adriatic Sea: the Bridge of Sighs, the Doge's palace, the Saint Mark's Square with the Basilica, with the elements of different artistic styles, the clock tower and the procurator building. Free time for lunch ...

Our next stop will be the island of Murano: on the island of glass, we will watch a master glassmaker at a historic glasswork.

We continue our Venetian tour to the island Burano: here we will have free time to explore the island for a total of about 2 hours. This destination is known for the art of lace-making as well as for its scenic, colourful houses, the backdrop for your souvenir photos!

We will return to the meeting point on Burano Island at 6 p.m. Boat ride to Punta Sabbioni and departure to Trieste.
